Middleton Mayor

Strategic Action-Oriented Economist

Dear Neighbor,

My name is Emily Kuhn and I am running to be your Mayor. I have 20 years of budget experience in federal government. I have led strategic planning — grounded in economic analysis; managed the building of 10 federal facilities from design to construction — keeping projects on schedule and under budget, and currently secure 212 federal facilities in 6 States. I want to bring my experiences to the Mayor's office.

As the City Councilwoman of District 4 — Lakeview Park area, I am action-oriented and bring a fresh perspective to City government. I ask for your vote, so I can work with the Common Council and the City Staff on the important issues to you and your neighbors.

I ask for your vote on April 4th.

Thanks,
Emily Kuhn
